Transport Safety Investigation ACT 2003

Dear s. 47F(1)

Subject: Release of *Draft* transport safety report

Attached is a copy of the following report:

Report Number: AI-2018-010
Report Type: Draft Final
Title: The safety management of an on-airport building approval process—the approval of the Bulla Road Precinct Retail Outlet Centre
Location: Essendon Fields Airport, Victoria

The ATSB's policy is to seek comment on the factual content of its transport safety reports from organisations and/or individuals who were directly involved in those occurrences, (or immediately after the occurrences), or who may be affected by the findings.

The draft report has been provided to you under Section 26 of the *Transport Safety Investigation Act 2003* to enable checking of the accuracy of the content and to ensure natural justice. Under Section 26, the report may only be copied and disclosed prior to its public release for the purpose of taking safety action or providing comment to the ATSB. Disclosure of this report in any other circumstance prior to its public release date constitutes a criminal offence.

The previous comment phase for the Draft Final Report identified a number of areas for improvement to the report. This has resulted in a number of changes to the report. As such, it is necessary to conduct a shortened second phase requesting comment to the report. The following is provided as a summary to assist in identifying where that change has been made.

• s. 38(1)(b)(i)

[Redacted content]

s. 38(1)(b)(i)

Should you wish to comment on the factual accuracy of the attached report, including providing advice on safety action taken or proposed by you/your organisation to address safety issues identified, your comments should be provided to the ATSB (draft.comments@atsb.gov.au) by **14 October 2018**. If your comment seeks to have the ATSB report amended, factual information in support of such a request must be included with your response.

To assist in finalising this report, we request that you confirm receipt of the draft by return email to draft.comments@atsb.gov.au.

Yours sincerely

Dear s. 47F(1)

Attached for your information is a copy of the following ATSB Transport Safety Report:

Report number: AO-2018-010
Report type: Interim Factual
Location: Essendon Fields Airport, Victoria
Public release: 10 September 2020 at 10:30 am AEST

I am providing you with an advanced copy of the interim report under the provisions of Section 26(1) of the *Transport Safety Investigation Act 2003*. Under Section 26, the report may only be copied and disclosed prior to its public release for the purpose of taking safety action. Disclosure of these documents in any other circumstance prior to their public release date may constitute a criminal offence.

If new evidence becomes available that impacts upon the investigation findings or the factual accuracy of the report, the ATSB may make changes to this document before its public release. In a small number of instances, editorial or other changes may also be made. If the changes are substantive, we will provide an amended copy of the relevant document/s before their public release. The interim report will be released in accordance with subsection 25(1) of the Act.

On 1 July 2017 the ATSB updated its policy of identifying organisations in its transport safety investigations. For [more information](#) visit the ATSB website.
